HOSTEL ROOM ALLOTMENT : AT ADMIN LEVEL

We did not use any buttons or direct links in this project for ADMIN.

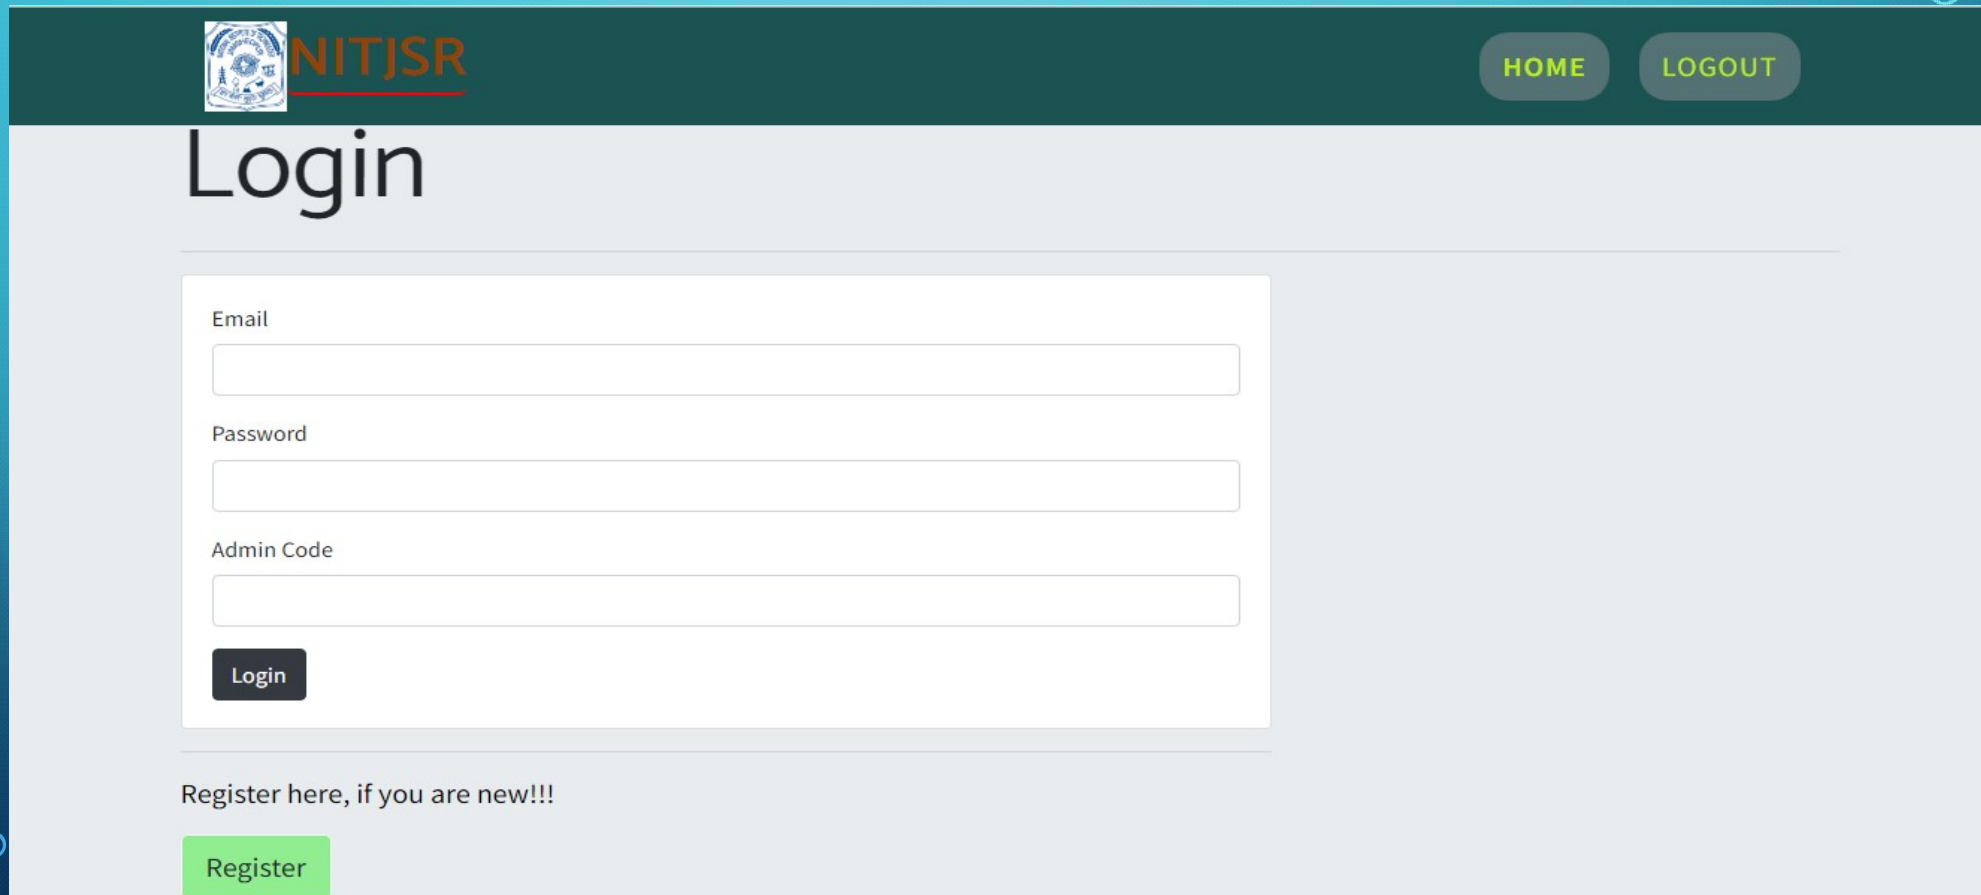

Just we given the path or url for login/register himself for allotting the hostel rooms. Behind this is a “ Security”. We ensure that ADMIN is at different level and Student or user are at other.

Admin Login_page url: <http://localhost:3000/admin-login/>

Or Admin Login_page url: domain_name/admin-login/

ADMIN LOGIN

- Admin code: Admin@123 without this code no one can be a Admin .
- This code is required for Login as well as Registration at Admin level.

The screenshot shows the NITJSR Admin Login interface. At the top, there is a dark green header bar containing the NITJSR logo on the left and two buttons labeled 'HOME' and 'LOGOUT' on the right. Below the header, the word 'Login' is displayed in a large, bold, black font. Underneath, there is a white rectangular form box with three input fields: 'Email', 'Password', and 'Admin Code'. Each field has a corresponding label above it. Below the 'Admin Code' field is a dark grey button labeled 'Login'. At the bottom of the page, there is a text link 'Register here, if you are new!!!' and a green button labeled 'Register'.
